

“TAKE BACK THE POWER”

QUEEN ACTIVITÉ

We're living in a world today
Where all the children
Don't get a chance to play
Running, jumping, laughing and free
Don't be mad that your parents care about your safety
The world can't stop you if you want to play!
Move your body for an hour every day!

Take back the power, move for an hour!
Take back the power, move for an hour!

Jump up, jump up, and get down
Move your body, all around
You can bust a move, you can dance and sing
Right where you are, go and do your thing!
Go Kayla!

AUDIENCE
Go Kayla!

QUEEN ACTIVITÉ
Hey, go Kayla!

AUDIENCE
Go Kayla!

QUEEN ACTIVITÉ
Now wave your hands in the air
Wave 'em like you just don't care
If you're ready to take back the power
And move for at least an hour
Say, “Oh yeah!”

AUDIENCE
Oh yeah!

QUEEN ACTIVITÉ
“Oh yeah!”

AUDIENCE
Oh yeah!

KAYLA
I don't have to just sit in this house and pout,
I can be creative and work it out!
I can take back the power and move for an hour!
Oh yeah!

AUDIENCE
Oh yeah!

KAYLA
Oh yeah!

AUDIENCE
Oh yeah!

The world can't stop you if you want to play!
Just move your body for an hour every day!
Holla!

AUDIENCE
Holla!
