

# “Nightmare” Lyrics

**NICK**

What’s up? It’s Nick.

**MALIKA**

Malika here.

**JERRY**

Um.. I’m Jerry.

**NATALIE**

It’s me Natalie.

**NICK**

and this is.

**JERRY**

and this is.

**MALIKA**

what is this again?

**NATALIE**

You know what this is!

**CHORUS**

It’s a nightmare.  
*Nightmare on Puberty St.*  
*(am I normal?) (it’s a nightmare)*  
*Nightmare (nightmare)*  
*On Puberty St. (am I normal?)*  
*(it’s a nightmare)*  
*Nightmare on Puberty St.*  
*(am I normal?) (it’s a nightmare)*  
*Nightmare (nightmare)*  
*On Puberty St. (am I normal?)*  
*(it’s a nightmare)*

**MALIKA**

Don’t tell anyone but recently I’ve been vaping, my parents fight all the time since my dad lost his job, you all and my dog are the only ones I can talk to.

**JERRY**

I’m always anxious because I don’t know what’s up with my body, I’m hungry all the time and I think I like this girl at my school.

**NATALIE**

Would people even care if they knew how hard it is to keep smiling all the time?  
I don’t think so, it’s impossible to take the perfect selfie.

**NICK**

People want me to do stuff that I’m not sure I should do.  
Don’t tell anyone but my hormones are going crazy I think about it like all the time.

**CHORUS**

*Nightmare on Puberty St.*  
*(am I normal?) (it’s a nightmare)*  
*Nightmare (nightmare)*  
*On Puberty St. (am I normal?)*  
*(it’s a nightmare)*  
*Nightmare on Puberty St.*  
*(am I normal?) (it’s a nightmare)*  
*Nightmare (nightmare)*  
*On Puberty St. (am I normal?)*  
*(it’s a nightmare)*
